Memo

Bismillahirrahmaanirrahiim
Assalamu'alaikum wr wb

Jamaah Masjid Al Hijrah Mosque glorified by Allah Subhanahu Wata'ala,

Alhamdulillah, we are grateful to Allah for giving us health favors. Especially, with the development of COVID-19 in NSW has begun to subside and gradually return to normal. However, it is still too early to decide on the functioning of the mosque as before. We ask our members to be patient and continue to perform the five daily prayers at their respective homes.

The CIDE NSW Executive team is still continuing to establish intensive communication with relevant parties such as weekly meetings with Minister of Multiculturalism, ANIC and also the Board of CIDE NSW's Imams to discuss the next steps related to the opening of the mosque to the public.

Insyallah, this weekend CIDE NSW will issue an official memo that guides the safety and health of our members, as well as important things to consider when the mosque can be opened and to ensure we always adhere to the advice from the Federal Government.

Thus, we can say, please utilize this last days of this year's Ramadhan which is only a few days away. May Allah always bless and guide us all on the paths that He blessed.

Wassalamu'alaikum wr wb
Executive CIDE NSW,

Herman Rahman
President of CIDE-NSW Inc. Committee
